What Do You Think of This Tabulated List of Saks & Company's

Stocks for Saturday's Selling?

It requires this whole page to tell you of The Busy Corner Store doings, and if the space was twice as big we could give you just as many more items for you to select from, but as there are more days to come, and more selling to be done, we will content ourselves with this showing and give you some of the best food for your buying thoughts which this greatest of all sales has yet offered. Remember, too, that you will have three extra hours tomorrow night to get all these good things which this seven-column menu is offering for your benefit:
